Ways to Access 630 lot

630 or Courthouse Road is more accessible than most people think! Most may think that the best way to get there is from I-95 or Route 1. Below list the many ways you can get to 630 (and all of them link to 610!). If you know some more ways, post them at www.slug-lines.com!

- 1) **Heading South on I-95**, take exit 140 (*less than 3 miles south of exit 143b, 610 – going 65/70mph takes only 2 mins*). Take a right onto 630 (Courthouse Road) – NO LIGHTS OR TRAFFIC. The Commuter lot is on your left. (Total driving time: from the Pentagon 30-40 mins/ Total driving time departing the lot (from your parking space): 0 mins)
- 2) **Eustace Road** (Autumn Ridge and other surrounding developments). Travel down Eustace Road heading away from 610. Eustace Road ends at Embry Mill Road, take a right. Embry Mill Road ends at 628 or Winding Creek Road, take left. Pass a middle school on the left and Winding Creek ends at 630 or Courthouse Road, take a left. Within two minutes the 630 commuter lot is on your right! (Total drive time 5-10 mins)
- 3) **Parkway Blvd** (Parkridge development). Take Parkway Blvd to the end. At the T-intersection make a left. From this point you have two options: 1- You can continue on this road till it ends, making a left onto 630; or 2- take a left onto 628 (Winding Creek Road) to making a left onto 630 (Courthouse Road). Another slug told me this takes him 3 minutes to get the 630 commuter lot!
- 4) **648 or Shelton Shop Road** (past Parkridge, but before the Food Lion). 648 has two options: 1- Take 648 (Shelton Shop Rd) and turn left onto 628 (Winding Creek). Make a left onto 630 (Courthouse Road); or 2- Take 648 and turn left onto 630, Courthouse Road. (Total drive time 5-10 mins)
- 5) *If you really hate 610*, from **Mine Road** head south from 610 and turn right onto Northampton Blvd. Northampton Blvd runs into Eustace. Take a left onto Eustace and follow the directions listed under item 1.
- 6) **Route 1** heading south from 610, take a right onto 630 (by the Courthouse). Pass the McDonalds, pass the Amoco, pass I-95. After you pass I-95, the 630 commuter lot is on your left. So easy! No traffic lights or traffic! (Total driving time: 1-2 minutes.)

For all of the directions above you are avoiding traffic, lights, and the mess at 610. Try 630, you just may like it.
