

Realigned Slug Stations at the Pork Chop Parking Lot Beginning Tuesday, July 6, 2021

- Tackett's Mill/Lorton VRE and Montclair/Rt 234 slug stations will be combined into one consolidated station.
- Horner Road/Potomac Mills will be moved up to the former Montclair/Rt 234 slug station.
- Taxi Drop-off Loop is now repurposed as slug vehicle queuing for the Horner Rd/Potomac Mills slug location.
- Please follow signage when entering the Pork Chop Parking lot.
- There is no change to the Burke/Springfield slug station. 610 Mine Road, 610 Stafford, Route 3 and Route 17 slug stations remain open and operational at their current locations along North Rotary Road and Fern Street.

Reminder:

The Pork Chop Parking Lot is part of the Pentagon Reservation, as such drivers and pedestrians are subject to all Pentagon rules and regulations when using the slug station facilities.

Slugging is not a government managed program. The slug station facilities are established to provide pick-up/drop-off locations only for Pentagon employees and regional commuters
