COMMUTER PARKING CHANGE TO 275 SPACES

Over the past three years, Potomac Mills has undergone an incredible revitalization by attracting dozens of new and exciting national retailers, resulting in an increased demand for parking with plans to augment these efforts in 2011. We are currently exploring options to continue to add well-known national retailers, restaurants and entertainment venues which are requiring assurances that we can provide ample parking for their customers. As a private property owner and business, our first priority must be to provide adequate parking for shoppers and ensure that we do all we can to support our present and future retailers.

As of Monday, February 14, 2011, Potomac Mills will allocate 275 spaces for commuter use, which is more than that required of any other private property owner in the County. We will continue to work cooperatively with the Department of Transportation and County Board of Supervisors to find sustainable commuter parking alternatives. If you would like to provide feedback regarding commuter parking in Prince William County, please contact the County Department of Transportation at 703-792-6825.

Information about other commuter parking lots can be found at the Potomac and Rappahannock Transportation Commission website: <http://www.prtctransit.org/commuter-bus/commuterlots.php> or: http://www.slug-lines.com/Commuter_lots/Commuter_Parking_Prince_William_County.asp

THANK YOU IN ADVANCE FOR YOUR COOPERATION!
